Art. 8 DISTRIBUTION OF THE DOGS

1. The organizing club will be free to set the number of subjects by observing a minimum of six and a maximum of twelve dogs per series as per regulation.
2. It will be guaranteed that each team's dogs will be distributed proportionally across multiple series.
3. The draw for the dogs and the starting order will be made the night before.

Art. 9 THE JUDGES

1. The jury will consist of two judges per battery, of different nationalities, nominated by the organizing club.
2. The jury president of each battery will, where possible, be of the nationality of the organizing club.
3. Only judges qualified for the international autumn field trial for continental dogs, who are listed as official judges in their country of habitual residence, will be allowed to judge.

4. An eventual barrage for the CACIT (or, for the European Champion title) will be judged by three judges. The president of the jury for the barrage will be, irrespective of the nationality of the competitors, a judge previously appointed by the organizing club. The other two judges, of different nationalities, will be drawn by lot.
5. The cost of board and lodging of judges shall be borne by the organizing club.

Art. 10 THE RULES

1. The last edition of the Official Rules of the International Field Trial and International Hunting Competitions of F.C.I. for Continental Pointing Dogs will be applied.
2. The judgment and evaluation of the jury will be definitive.
3. Disputes relating to the application of the specific rules of the Championship shall be dealt with by a committee set up in accordance with Article 13.

Art. 11 FIELD TRIAL AND SHOT GAME RANKING

1. Team Ranking will be the result of the scores assigned to each dog for field trial and on shot game, classified according to the following list. CACIT assignment is only foreseen in the field trial, while in the shot game trial only the CAC will be awarded.

CACIT.....	12 points
RCACIT.....	11 points
CAC.....	10 points
RCAC.....	9 points
EXCELLENT regardless of the ranking position.....	8 points
VERY GOOD regardless of the ranking position.....	5 points
MTHR(se ritenuto necessario).....	4 points
CQN.....	3 points
GOOD regardless of the ranking position.....	2 points

Points cannot be cumulative.

2. DEEP WATER RETRIEVE RANKING

Participation in the deep water retrieving test is compulsory: the subject that does not participate will be excluded from the team and all scores achieved by the dog will be cancelled.

It will not be possible to replace such subject with the reserve dog.

The test shall be carried out with the handler placed in the waiting area at a distance of, when possible, ten meters from the water; distant however from the shore (hereinafter referred to as the "Regulatory Distance"), taking into account the different possibilities of realization due to the variability of the different logistic situations.

Performance and relative score:

- Enters immediately the water, swims easily, retrieves the game and promptly presents it to hand at the regulatory distance: points 2
- Enters the water, swims with difficulty, but still performs the retrieve by presenting the game to hand at regular distance: 1.5 points
- Enters the water reluctantly and/or swims with difficulty and/or presents the game to hand after dribbling and uncertainty in execution, leaving it on the shore: points 1

- Does not enter the water and/or enters the water but does not present the game to the handler who is waiting for it at the regulatory distance: 0 points.

3. MORPHOLOGICAL VERIFICATION RANKING

Obtainable score for the morphological valuation

Poor: points 0; Acceptable: points 2; Satisfactory; Points 4.

The above points are expressed for each of the three parameters given in the evaluation sheet, namely: head; general morphology; angles.

For each rated subject, a maximum of 12 points is available.

At the score obtained in the morphological evaluation, a coefficient of 0.10 is applied so that the contribution to the overall score becomes at maximum points 1.2.

The team score will be equal to the average score, that is, the sum of the individual scores divided by the number of team members or however deemed judged, so that a team consisting of less than six players may not be penalized.

Art. 12 OFFICIAL GUNS FOR THE SHOT GAME TRIAL

For each battery the organizing club will appoint one or two official guns who are familiar with the work of pointing dogs. The latter will be designated by the Organizing Club and must be constantly at the disposal of the President of the Jury and not intervene except at his request.

In the event that the game does not fall, retrieval must be carried out immediately, cold or warm.

Art. 13 TITLES

1. The Team European Championships of the « Autumn European Weimaraner Cup» will be awarded according to the total score vested by the two teams with the best rankings. In the case of perfect score and qualification the two teams will be compared in a barrage between the two best-ranked dogs.
2. The individual titles of Champion and Vice Champion of the «Autumn European Weimaraner Cup» will be awarded to the dogs who have obtained the CACIT and RCACIT during the competition. If the « European Weimaraner Cup of Autumn » takes place within two days and the CACIT is awarded to two different dogs, they will be compared in a barrage.
3. If the CACIT is not assigned and therefore there is no run-off between the two dogs that have obtained such qualification, a barrage for the assignment of the individual titles of Champion and Vice Champion of the « European Weimaraner Cup of Autumn » can be made between the dogs

Art. 14 DISPUTES

Any complaints regarding the implementation of the specific regulations of the Championship will be decided on the field by three persons previously appointed by the Organizing Committee within the body.

Art. 15 FINAL ARRANGEMENTS

1. Only the Weimaraner Clubs that are affiliated to a national canine body that is a member of the International Cinotecnic Federation and who have countersigned this regulation may participate in the Championship.
2. This Regulation may only be amended or supplemented by a proposal of the clubs referred to in Article 1.2.
3. Any change made after the approval by the Commission for Continental Pointing Dogs of F.C.I. must be submitted to the Commission and will come into force only after approval by the latter.
4. In case of controversial interpretation of the text only the original text in English will prevail.
